JUDICIAL DEPARTMENT.

IN THE CHIEF COURT OF MYSORE AT BANGALORE.

P. No. 30-2 *of* 22-23, *dated* 15*th March* 1923.

Review of the work turned out by the Subordinate Civil Courts in the State during the quarter ending the 31st December 1922. (*Vide* Circular letter No. 256, dated 24th July 1922).

PART I.

I. APPELLATE JURISDICTION.

District Judges' Courts (3).—Though the total disposals by the District Judges were greater than in the previous quarter by 25, the aggregate pendency of appeals has risen by 38. This was due mainly to the increase in the number of regular appeals filed in the Mysore and Shimoga Divisions, in the former of which it was nearly double of that for the preceding quarter.

Subordinate Judges (2).—Total pendency has decreased by 12 in spite of the small number of disposals by the Subordinate Judge of Shimoga.

II. ORIGINAL JURISDICTION.

District Judges (3).—Although the Bangalore District Judge disposed of 3 suits less than in the previous quarter, the total pendency has decreased by 6.

Subordinate Judges (3).—As compared with the previous quarter, the number of pending original suits shows an increase of 8. Except the Subordinate Judge of Shimoga, the others have disposed of more small causes than in the previous quarter and this coupled with the fall in institutions has resulted in the pendency going down by 115.

Munsiffs' Courts-(22).—The total number pending in all the Munsiffs' Courts at the beginning of the quarter was 11,788 original suits and 4,631 small causes. During the quarter

under review 4,166 fresh original suits and 4,062 small causes were instituted; 4,620 original suits and 4,593 small causes having been disposed of, the net result was a decrease in pendency of 458 original suits and 532 small causes.

It should, however, be observed that this result, satisfactory in itself as it is, was due not so much to an increase in the disposals which were actually less than in the previous quarter by 357 original suits and 524 small causes as to a reduction in the number of institutions during the quarter.

III. EXECUTION AND MISCELLANEOUS CASES.

There is nothing very noteworthy during the quarter in regard to this class of cases.

IV. GENERAL.

Although during the quarter under review the form of explanatory note in regard to suits pending for more than one year was considerably simplified and a specimen form sent to all the Courts, it is a matter for regret that many Courts did not submit their explanations in due time with the result of materially delaying the issue of this review.

In the Bangalore Division the delay was due not so much to the Munisiffs and the Subordinate Judge as to the District Judge who did not forward to the Chief Court the explantations received from his subordinate courts till after delays which in some cases extended to nearly two months. Such dilatoriness on the part of subordinate courts is an unsatisfactory feature, which detracts from the utility both of their reports and of the review thereof and which, it is hoped, will not be allowed to recur.

Notification D2 Dis. No. 1027 *of* 1922-23, *dated the* 19*th March* 1923.

The following transfers of Munsiffs are ordered in the interest of public service:—

NOTE.—1 The transfers will take effect from the date of re-opening of the Courts after the Summer Vacation of 1923.
